

The Personal Injury Claim Process

1 The Accident

2 You contact your personal injury lawyer

3 Initial consultation with lawyer

4 Commence claim process (initial paperwork)

5 Gather supporting evidence and attend specialist appointments

6 Negotiations

7 Settlement conference

Settlement secured

8 If the case does not settle at the settlement conference, commence court action

9 Prepare for trial, while continuing further attempts at negotiating an out-of-court settlement

10 If no out-of-court settlement, proceed to trial.
